Respected sir,
I am a member of the organizing committee for the KLH bachupally's annual tech fest "viwentiaa2026".
I am writing this email to quickly give you an update on the preparation for KLH bachupally's annual tech-fest , Viwentiaa2026.
The organizing committee has completed several keytasks.The event theme and schedule have been finalized, and all invitations have been sent to guests, speakers and judges. We have also confirmed the list of technical and non-technical events. The remaining tasks include confirming all sponsorship agreements, finalizing events schedule, completing volunteer training, and ensuring all technical arrangements are in order and place.

Thankyou for your support and guidance throughout the process.

Yours sincerely,
Bhanu singh
Committee member
Viwentiaa 2026
